

Hochiki America FNM-ACA-V analogue multi-criteria sensor

Technical Specification

Make	Hochiki America
Company	Hochiki America Corporation
Model code	FNM-ACA-V
Type	Smoke

**Additional
info**

The Hochiki America FNM-ACA-V Multi-Criteria Smoke Sensor is particularly suited for detecting smoke produced by a wide range of combustibles found in various applications.

Temperature monitoring is achieved by a thermistor placed for optimum sensitivity.
