

Leader TRAINER X-STREAM smoke generator

Technical Specification

Make	Leader	
Company	Leader GmbH	
Model code	TRAINER X-STREAM	
Media	Live	
Type	Firefighter	

Additional info

The Trainer X-Stream is the most versatile professional smoke generator available today. By incorporating the X-Stream Airflow System, the Trainer X-Stream blends smoke and air to produce a variety of effects. It has been designed to deal with the excessive rigors of training, with a rigid chassis, protected on all eight corners by 20mm aluminium plates, and

40mm lifting bars.
